**SUBJECT:** National Board "R" Certificate of Authorization No. 6804

Dear Mr. A G:

Enclosed is your National Board "R" Certificate of Authorization to apply the "R" Symbol to boilers and pressure vessels, as limited by the scope of your certificate, with all work conforming to the **NATIONAL BOARD INSPECTION CODE**. This certificate has been issued based upon the recommendation of the joint review team and the National Board.

**ISSUANCE DATE** November 12, 2014  
**EXPIRATION DATE:** December 14, 2017

A renewal notice will be sent eight months prior to the expiration date of the Certificate.

Your authorization, as limited by the review of your quality control program, is approved for:

**METALLIC REPAIRS AND/OR ALTERATIONS AT THE ABOVE LOCATION  
AND EXTENDED FOR FIELD REPAIRS AND/OR ALTERATIONS  
CONTROLLED BY THIS LOCATION**

**PLEASE NOTE:** Authorization is valid while operating under your company name, location and scope of work as shown on the Certificate. In the event that your company's name, location or scope of work changes, the National Board must be notified immediately by completing a Revision Request Form (NB-397) and submitting an updated application form (NB-12) so a revised certificate may be issued. Also, we must be notified if there is a change in your company's Authorized Inspection Agency or contact information (personnel, phone, fax or email.)

Yours truly,

Lois Ann Condo
